

ZIS Online Learning Resources

There are hundreds of online resources available to support learning at home. Over the years we have sorted through and hand-picked the very best to enrich our students. We are delighted to have these enriching tools available to teachers and students during these weeks of extended time away from campus. The world of education has certainly changed in just a decade!

IXL – ixl.com

IXL is a captivating online learning space providing students with all the tools they need to be successful learners, both in the classroom and beyond. Interactive, engaging, and aligned with our PYP curriculum – perfect!

Raz-Kids - raz-kids.com/

Raz-Kids is an award-winning resource that provides a library of books at 29 levels of difficulty students use to practice reading in school, at home, or on the go. Easy access means that students get the personalized reading practice they need anytime, anywhere. And with easy-to-use online controls, teachers can quickly manage and track their students' reading progress in a matter of minutes.

Britannica - school.eb.co.uk

A safe, reliable and comprehensive source of information and media for learning, research and discovery, features more than 100,000 articles, 60,000 images and videos, and much more...

Brain Pop - jr.brainpop.com/

Brain Pop and Brain Pop Jr is a group of educational websites with over 1,000 short animated movies together with quizzes and related materials, covering the subjects of science, social studies, English, mathematics, engineering and technology, health, and arts and music.

PowerKnowledge Science Suite

Earth Science, Space Science, Physical Science, Life Science – it's all at our fingertips with PowerKnowledge's Science Suite. Offering an array of learning experiences, these sites go beyond the traditional textbook providing rich and exciting Science learning.

StoryPlace – storyplace.org

STOR  PLACE

The logo icon consists of two stylized, overlapping shapes that resemble the pages of an open book, one in purple and one in blue.

Don't let the serious looking logo fool you – StoryPlace is a fun space for our youngest learners to encounter big ideas and interactive activities – all dedicated to inspiring a love for reading.

Seesaw – web.seesaw.me

We love Seesaw for its ability to offer insight into each student's strengths and areas for growth in a way that is current and individualized. There are no limits on what teachers can produce and share with their young learners allowing creativity to flow! What's more, it allows teachers to provide detailed feedback to celebrate student achievement.

Infobase – infobase.com

Subject-specific resources containing journal articles, news articles, books, images, videos, and primary source documents from thousands of sources selected and vetted by our editorial experts.

Kahoot! – kahoot.com

Using Kahoot!, teachers design learning games called "Kahoots": multiple-choice quizzes that allow students to test their knowledge and understanding in a fun, challenging setting.

ManageBac – zischina.managebac.com

ManageBac provides a Curriculum First Learning Platform for the world's leading international schools. Founded in 2006, ManageBac serves over 700,000 students and 2,500 schools in 120 countries.

AssessPrep – assessprep.com

Designed for MYP students, AssessPrep offers a cloud-based platform allowing teachers to collaboratively create learning experiences with a variety of questions, videos, simulations and images. Allows teachers to annotate student answers with their comments and to give overall feedback.

BridgeU – bridgeu.com

BridgeU enables schools to provide smart, modern university and careers guidance, a matter of crucial importance, progressing students to the right post-secondary destinations. BridgeU was founded to help schools prepare the students of today to flourish in the world of tomorrow.
