Dear Parents,

August 31, 2021

We are pleased to offer a selection of after school activities – I hope you will find many opportunities for your child to expand their skills and interests with these offerings. All clubs led by students will have teacher supervision.

A school bus is available weekdays after activities to transport students to the Horizon Cove clubhouse. Students in Primary need to be picked up from the clubhouse by an appointed adult. Please indicate here your travel preference on the sign-up page. Fees for these activities are paid to the activity provider. Regrettably, refunds for missed sessions are unavailable. Each activity has a minimum and a maximum number of students. We will do our best to accommodate all interest.

Please return the registration form by 2nd September (Thursday). Fees will be collected after classes start.

There is also the VEX Competition Course. All levels are welcome, beginners and returning students. We will do our best to create a schedule that benefits the most people.
